

SEMINARIES OF JUNE 2019

1) June 6, 2019, 15:00-18:00 Aula Caveau

“Mechanized tunneling methods for infrastructural tunnels”

Eng. Silvio Schmalzbauer
Eng. Simone Schmalzbauer
(Timeco S.r.l.)

2) June 7, 2019, 9:00-13:30 Aula Caveau

“Mechanized tunneling methods for utilities and service tunnels”

Eng. Silvio Schmalzbauer
Eng. Simone Schmalzbauer
(Timeco S.r.l.)

3) June 13, 2019

ore 11:00-13:30 Aula Caveau

“Fundamentals of Soil–Foundation–Structure interaction”

Prof. Eng. George Gazetas
(University of Athens)

ore 15:00-17:30 Aula Caveau

“Dynamics of Shallow Foundations through case histories”

Prof. Eng. George Gazetas
(University of Athens)

4) June 14, 2019

ore 11:00-13:30 Aula Caveau

“Pile foundations: inertial and kinematic response”

Prof. Eng. George Gazetas
(University of Athens)

ore 15:00-17:30 Aula Caveau

“Seismic case histories with pile foundations”

Prof. Eng. George Gazetas
(University of Athens)

5) June 24, 2019, 15:00-18:00 Aula Caveau

“Soil improvement by low pressure injections”

Geol. Ilario Bridi
(freelance)

6) June 28, 2019

ore 19:30-13:30 Aula Caveau

“Introduction to Cost and Benefit Analysis and Economic and Social Impact Assessment for major infrastructure projects”

Eng. Valerio Gori
Eng. Diego Artuso
(PwC)

ore 15:00-17:30 Aula Caveau

“Introduction to Cost and Benefit Analysis and Economic and Social Impact Assessment for major infrastructure projects”

Eng. Valerio Gori
Eng. Diego Artuso
(PwC)

II Level Master VII Edizione

Academic Year 2018-2019

Director: *Prof. Eng. Salvatore Miliziano*

Seminaries of June 2019

With the patronage of
