

March 31, 2021

To respected members of TC203, ISSMGE:

We are happy to announce that the 4th International Conference on Performance-based Design in Earthquake Geotechnical Engineering (PBD-IV) will be held on July 15-17, 2022 in Beijing. The call for abstract is now open, until July 1, 2021.

Prospective authors are invited to submit abstracts of about 200 words. Abstracts must be submitted, using the conference template, through the on-line conference submission system. To submit an abstract, visit **<http://www.pbd-iv2021.com/>** and sign-up. Authors of accepted abstracts will be invited to submit full manuscripts by November 1, 2021. Peer reviews will be returned to the authors for final submission of camera-ready versions by February 15, 2022.

We kindly invite you to consider participating in this event through submitting an abstract. It would be greatly appreciated if you distribute this Call for Abstract to anyone who might be interested in the conference. If you have any questions or need any additional information, please contact us.

Best regards,

Lanmin Wang

PBD-IV Conference Chair

Lanzhou Institute of Seismology, China Earthquake Administration
