Students: Attend Grout27 in Florence!

7th International Conference on Grouting and Deep Mixing

March 17-19, 2027 | Florence, Italy

Expand Your Knowledge. Grow Your Network. Explore Grouting Applications in Geotechnical Engineering

Whether you're studying civil, geotechnical or construction engineering, GROUT27 is your opportunity to meet industry leaders, learn about cutting-edge technologies and explore career paths—all while experiencing one of Italy's most beautiful cities.

Why Students Should Attend

Get Your Registration Fee Back!

- Register for GROUT27 and receive a full refund at the conference!
- Student Registration Cost: €100
  Your Cost After Refund: €0

Full Conference Access

- Attend keynote presentations, technical sessions and panel discussions
- Access the Exhibit Hall filled with the latest products and services in the industry
- Network with geotechnical professionals

Learn from Industry Experts

Hear keynote lectures, technical presentations and panel discussions covering the latest advances in:

- Grouting methods and materials
- Deep mixing technologies
- Foundation grouting and engineering applications
- Instrumentation, monitoring and quality control
